Rebranding the 161 Corridor Bringing business to your front door

Check out the 161 Task Force's new Website:

www.naba161taskforce.org

See current business to business opportunities including gatherings and directory

- The 161 Task Force is hosting a Flag Day Celebration to draw the attention of Central Ohio to the 161 Corridor. The goal is to increase the value of your property. Check it out on our new website.
- We have been able to pick up trash, cut the grass and maintain some lovely landscape boxes.
- Everything is being accomplished with just a minority of businesses participating. Imagine what we could accomplish for your business with the contribution of everyone!

All you need to do to be included in the business directory is email your contact information to 161taskforcecolumbus@gmail.com

The City of Columbus is committed to a Market Study for the 161 corridor.

Council Member Emmanuel Remy, Dave Cooper, and George Schmidt met with Columbus Director of Development, Steven Schoeny. There will be a major study to determine what types of businesses will do well on the corridor. It will definitely affect property values and you can be involved.

What can you do to help?

- Mow the grass & clean up trash in front of your business, including the -right of way, regularly
- Donate money towards grass mowing in the common areas
- Attend the 161 Task Force Planning Meetings
- Join NABA
- Sponsor Flags for the Flag Day Celebration
- Decorate your business for Flag Day
- Join us June 14
- Be a block captain
- Sign up for business directory
